

BACK END WEB DEVELOPER JOB DESCRIPTION

Updated: 11th August 2008

BACK END WEBSITE DEVELOPER JOB DESCRIPTION

Blue Pie Back End Web Developer applicants should possess the following skills and qualifications. These should be coupled with industry experience and a portfolio of sound dynamic projects, systems and websites.

SKILLS REQUIRED:

Excellent communication skills and a sound ability to implement website architecture in a practical, intuitive, functional and aesthetically pleasing manner.

Understanding of databases, database architecture and industry best practices when building dynamic websites.

Experience and proficiency in the following languages and applications:

- Strong PHP knowledge including working with classes, frameworks, etc.
- Solid understanding and implementation of design.
- HTML / XHTML
- Dreamweaver
- MySQL & SQL
- Linux / Unix
- Java
- XML

These skills are essential and not negotiable. This is an industry position and we expect you to be able to perform your tasks in an efficient and industry acceptable timeframe.

ADDITIONAL SKILLS THAT WILL BE LOOKED UPON FAVORABLY:

- Ajax
- Flash
- Fireworks
- Photoshop
- Pagemaker
- JavaScript

OTHER NON-SKILL RELATED PREFERENCES:

- An outgoing, fun personality
- A self-motivated approach to everyday tasks
- The ability to work autonomously and unsupervised

WORK CONDITIONS AND BENEFITS

BENEFITS:

- St. Leonards office located close to the train station, only 5 minutes walk.
- Experience in the entertainment industry, which is a lot more fun than many developer gigs.
- A wide and varied work base with a diversity of tasks, this means you will get to learn more your craft on the job
- Blue Pie is a small but rapidly growing label and digital distributor. We have a roster of over 500 artists with a core collective of about 6 active artists. As our artists are achieving more and more attention from the media this is a crucial and exciting moment for the team who work here.

- Our work environment is pretty relaxed and music plays a dominant role in what we do!
- We occasionally have gigs in which we'd be happy for you to attend and have CD's a plenty at your disposal.
- Full or Part-Time hours available for the right people.

RATES:

- Great remuneration and performance bonus structures, this depends on experience and a trial period.
- This will be covered at the initial interview and formalised shortly after an agreement is made.

HOURS:

- Office hours are from 8.15am to 5pm Monday to Friday

APPLICATION DETAILS:

- Short CV - 2 pages
- Short Cover Letter
- Links to projects and websites that you have worked on in a professional capacity
