

To the Blue Pie Team

Hi Damien

I hope this finds you well!

Firstly, please excuse my tardiness in sending this thank you too you. Unfortunately work and ill health got in the way after the Benefit and I'm only just feeling like there's light at the end of the tunnel again! The benefit night was amazing with a room filled with more old radio faces, friends and supporters than we could have hoped for! Vic and Jodie were there and were overwhelmed by the love and support that was in the room.

As with every fundraising event, we relied on people like you to assist with providing auction and raffle items. Between the door, auction and raffle, we raised almost \$20,000 which blew us all away! The website build provided by you added \$550 to this figure and we can't thank you enough!

Since the Benefit, Vic has undergone another 2 rounds of chemo and has another 2 scheduled over the next two weeks. Whilst the prognosis is pretty dire, both him and Jodie have very positive attitudes and will continue to fight this horrible disease with everything they've got!

Once again, THANK YOU on behalf of the Committee and our dear friends Vic and Jodie.

Best regards,
