

December 19<sup>th</sup>, 2013

Dear Bryan,

On behalf of Women In Music, I would like to sincerely thank you for the sponsorship you provided for our annual holiday event held on December 4<sup>th</sup>, 2013 at Le Poisson Rouge, NYC. Your generous support provided Women In Music with the opportunity to raise awareness, attract new members, and celebrate the accomplishments and growth of the organization and its members over the course of 2013.

Over **1500** entertainment professionals RSVP'd to the event. We were overjoyed to host a room of influential tastemakers buzzing about WIM and your brand. Many attendees particularly enjoyed posing for photos in front of the backdrops that displayed your logo. These photos and more can be viewed at: <http://www.arounddigitalgallery.com/wim2013>. Should you need unwatermarked versions of select photos, we would be more than happy to provide those. You can also download photos taken at the step and repeat from: <https://dl.dropboxusercontent.com/u/62275679/WIM.zip>

The holiday event attracted **many** new members who will enjoy the numerous benefits Women In Music has provided its community for the past **28 years** including:

- Career advancement opportunities
- Educational panels and workshops
- Exclusive promotions and discounts
- Mentorship
- Networking events
- ..and so much more

Our holiday event and the services we provide would not have been possible without you. Your financial contribution is deeply appreciated and we would be delighted to have our organizations continue to support each other in the future. As we enter the new year, Women In Music will present our 2014 educational panel series covering a range of topics that are important to our membership such as licensing, vocal workshops and master classes, a continuation of our private equity and raising capital sessions, and our popular MIM (Mothers In Music) series. We will also begin preparing for the return of our Touchstone Awards Gala, which will celebrate the top female music creators and business executives for their contribution to the industry. We look forward to seeing you at any of the aforementioned events and potentially discussing ways to have DJ Central / Ordior involved.

Warmest Regards,

President  
Women In Music, Inc.
