Dear Leandro,
We hope that you are doing well!
We here at Blue Vault Digital are
thinking of you every day.

We live in a far away place
called Australia. Have you heard
of it? In Australia we have funny
looking animals called kangaroos!
They jump & hop around everywhere.
Do you have any funny looking
animals where you live? Let us know.

We look forward to hearing from
you shortly. Let us know how your
year has been so far. We would
love to hear all about it.

Keep up all the good work! Have
a fabulous 2nd half of the
year, and keep in touch.

Love from,
The Blue Vault Digital Team
& Damien Reilly.
