PRESSKIT 2018

Biography

Born and raised in Southern California, Ashley Dice aka LadyDice is one to keep your eye on. She was raised on classic rock and grew up as a fan of punk rock and metal, but found her love for hip-hop later in life as an adult. From this musical background she has developed a unique edge and sound, making her stand out from the crowd.

LadyDice entered the music industry in 2014 and since then, she has touched the hearts of so many with her empowering songs. Her social media fan base is a testament to her growing legion of fans.

Wanting to spread her message and inspire others through her lyrics, she wrote her new song 'Scars' in March 2016 which quickly went viral. As at August 2018, Scars has gathered over 2,000,000 views on Facebook and over 1,000,000 shares. The song shows no sign of slowing down.

LadyDice has opened for artists such as Devin the Dude, Down3r, Potluck and Tyga which has most certainly put her on the USA national map. Her fan base is constantly growing and rightfully so, just take the time to watch her shows and we deny anyone to not be her fan. With powerful messages of love and compassion in her songs, LadyDice's star is just starting to shine and is about to go supernova.

Her solo debut album “BEAST” features artists A-Guttah on “Stars”, Lyric on “Exile”, Ariez on “Breathe”, Big Mike on “Beast” and DL Downer aka Down3r on “On the Rise”.

2018 and 2019 is her year to expand her fan base internationally.
