SAHRA:

With a truly magnetic and hypnotic voice, Australia's Sahra delivers not only the meaning of the lyrics but the true essence of the songs in her debut album, "Girl Parts". It is an intensely personal and emotive album where listeners experience an array of emotions in the lyrics: laughter as well as sorrow and tears.

From a small country town north of Sydney, Australia, Sahra was introduced to the world of entertainment at an early age. As a child, Sahra was convinced that performing would be her life, which ultimately led to opportunities as an actress on TV.

Her musical talent and angelic voice has seen her singing alongside high-profile Australian acts such as Vanessa Amorossi and Richard Clapton as well as touring with bands ceaselessly throughout Australia performing as a singer.

Since then, Sahra has blossomed into a striking pop-based singer-songwriter who, after meeting Damien Reilly, Director of Blue Pie Productions, was invited to record their first song, "Baby" with respected producer Phil Munro. For the debut album, Sahra and Damien set out to write a solid body of songs that would be timeless and that would be true to Sahra's vocal ability.

The first single released received critical acclaim, a remake of the 1978 R&B number one hit "Boogie Oogie Oogie" by "A Taste of Honey". It has since sky rocketed into the global scene, 577 million people was exposed to Sahra's rendition as it was licensed to the opening segment of the Iceland Fashion Week.

WHAT THE MEDIA ARE SAYING:

APRIL 2011	Sahra gets an admirer from Gianni Versace and has her song 'Fall' featured in the new Fall Season DVD. A great win for Sahra and Blue Pie. Thanks go out to the Blue Pie license team for landing the placement. The song is by far one of the best songs on Sahra's debut album 'Girl Parts'. You can click here and download any of Sahras songs on iTunes today. www.sahra.com.au	
APRIL 2011	Sahra sells over 12,000 units of her debut album 'Girl Parts' and going steady. Congratulations from everyone at Blue Pie we love ya Sahra.	
APRIL 2011	Sahra and Damien Reilly working on new tracks for 2011. As Damien Reilly, CEO of Blue Pie says 'Sahra is probably one of the best rock female vocalists around that I know. The only problem is she is doing Jazz. That aside she is so versatile that she can do country one minute, slam out a Jazz standard the next and do Chrissie Amphlet like no one I know. I am very glad to be working with Sahra again and I am sure all her fans will dig the next new instalments of her musical career.' Remember to check back to the site for all the latest news.	
APRIL 2011	Sahra completes the backing vocal sessions for the new 'Destiny' song for the new indie film 'Dealing With Destiny' www.dealingwithdestiny.com Sahra slams the vocals with her alter ego rock chick persona! The track has been produced by Damien Reilly and Lindsay Osborne and will be release in May 2011. Check out the film here www.dealingwithdestiny.com	
JANUARY 2009	Under her Jazz moniker Sahra Hyland, Sahra is making some serious waves in the Jazz scene around Sydney and beyond! Recently returning from a trip to New York, Paris & Rome she has been inspired to return to the states again to pick up where she left off. Her self-penned lyrics are matched with the serious chops and composing skills of jazz guitarist David Longo. Together they have produced a collection of songs that blend honest lyrics with the serious sounds of Sarah's jazz quintet, including bassist Jonathan Brown, drummer Nic Cecire and keyboard virtuoso Gary Daley, who performs on piano, Rhodes, Hammond and accordion. For more and a sample of the music check out her MySpace at www.myspace.com/sarahjhyland .	
NOVEMBER 2008	Sahra has now been a Top 10 selling Blue Pie artist for over 2 years with her single 'Boogie Oogie Oogie' meeting the mark consistently each month on the download charts.	
MAY 2008	Sahra's new My Space kicks into overdrive. Check out the new My Space page for Sahra at www.myspace.com/sahrabluepie .	
MAY 2008	Sahra gains more and more airplay throughout Europe on the back of the new Ralph Lauren DVD. Show your support by going to her My Space page and adding her as your friend www.myspace.com/sahrabluepie .

License Sales and Placements of your music in Films in the USA | 22-05-2011

We are pleased to announce a new partnership with a network of Music Supervisors and Music Production Houses in the USA. Blue Pie's USA office under the leadership of Jon Taber has today completed a number of new contracts and agreements that will open up many new doorways for your music to be able to enter the lucrative US License and Synch markets. Formal press and media releases will be made on the main Blue Pie website.

It is very important that you make sure that all your music you have submitted has all the correct themes, BPM and lyrics and all the key words noted. If you are not sure about how to update all your information then please email support@bluepie.com.au and the catalogue team will be in touch with you to help get all your details into the system.

Please make sure that you update all your details in the console for payments and if you have any new music please make sure that you email media@bluepie.com.au with all the details and send any new content to catalogue@bluepie.com.au using YOU SEND IT www.yousendit.com . This is a great program to send large files and we strongly recommend that you purchase the annual account for \$64 so that you can send up to 2 TB of content in one email.

License Sales Hit a New Record for February 2011 | 27-02-2011

We are pleased to advise that the Blue Pie license team has broken all license sales records for the company for the months of December 2010 and January 2011. We would like to send a huge note of thanks to Suzanne Carey, Jon Taber, Tayte Hampton and Liam Warriner who have worked hard to get our artists to the top of the lists for all the Music Supervisors to use in their projects. Blue Pie has developed many new direct relationships with production houses and studios and we will continue to do so. This is the last big ticket income area for the music industry that shows significant growth for independent artists and for labels like Blue Pie. As your distribution company and record label we are investing more resources and energy to expand this area of the company. For all the latest news on licenses we have secured and the success the team has enjoyed for the past year then please visit our website at www.bluepie.com.au REMEMBER THAT WE NEED YOU TO SEND US NEW CONTENT IF YOU WANT TO GET LICENSE SALES TO HAPPEN ! Email sales@bluepie.com.au or lodge a support email via your console at support@bluepie.com.au if you need any help to get your new albums or catalogues ingested into the Blue Pie Digital Content Library.

AMC Support:

Blue Pie has a new 24 hour help desk system here to manage any and all support issues. Please send an email to support@bluepie.com.au for all support issues and statement enquiries. The support desk is manned by Blue Pie staff between the hours of 8am to 6pm - Monday to Friday and 11am to 5pm on Saturdays - Sydney Australia Time. Please make sure that you provide all the information and details relating to any support issue that you have. The more detail that we have the faster we can help to resolve the support request.

Please note that the support / help desk system will issue you a job ticket or receipt for your enquiry. If you did not get one from the system then you will need to enter the details in again. Please allow up to 30 minutes for the email receipt to be sent to you. The reason why some emails take this long is due to the number of mail servers and general spam filters that people use these days.

Thank you for reading about the Blue Pie help desk and support system.

News

➔ **APRIL 2011**
Sahra gets an admirer from Gianni Versace and has her song 'Fall' featured in the new Fall Season DVD. A great win for Sahra and Blue Pie. Thanks go out to the Blue Pie license team for landing the placement. The song is by far one of the best songs on Sahra's debut album 'Girl Parts'. You can click here and download any of Sahra's songs on iTunes today www.sahra.com.au

➔ **APRIL 2011**
Sahra sells over 12,000 units of her debut album 'Girl Parts' and going steady. Congratulations from everyone at Blue Pie via love ya Sahra.

➔ **APRIL 2011**
Sahra and Damien Reilly working on new tracks for 2011. As Damien Reilly, CEO of Blue Pie says 'Sahra is probably one of the best rock female vocalists around that I know. The only problem is she is doing Jazz. That aside she is so versatile that she can do country one minute, slam out a Jazz standard the next and do Chrissie Amphlet like no one I know.

I am very glad to be working with Sahra again and I am sure all her fans will dig the next new instalments of her musical career. Remember to check back to the site for all the latest news.

➔ **APRIL 2011**
Sahra completes the backing vocal sessions for the new 'Destiny' song for the new indie film 'Dealing With Destiny' www.dealingwithdestiny.com Sahra slams the vocals with her alter ego rock chick persona! The track has been produced by Damien Reilly and Lindsay Osborne and will be release in May 2011. Check out the film here www.dealingwithdestiny.com

➔ **JANUARY 2009**
Under her Jazz moniker Sahra Hyland, Sahra is making some serious waves in the Jazz scene around Sydney and beyond! Recently returning from a trip to New York, Paris & Rome she has been inspired to return to the states again to pick up where she left off. Her self-penned lyrics are matched with the serious chops and composing skills of jazz guitarist David Longo. Together they have produced a collection of songs that blend honest lyrics with the serious sounds of Sarah's jazz quintet, including bassist Jonathan Brown, drummer Nic Cecine and keyboard virtuoso Gary Daley, who performs on piano, Rhodes, Hammond and accordion. For more and a sample of the music check out her MySpace at www.myspace.com/sarahhyland.

➔ **NOVEMBER 2008**
Sahra has now been a Top 10 selling Blue Pie artist for over 2 years with her single 'Boogie Oogie Oogie' meeting the mark consistently each month on the download charts.

➔ **MAY 2008**
Sahra's new My Space kicks into overdrive. Check out the new My Space page for Sahra at www.myspace.com/sahrabluepie.

➔ **MAY 2008**
Sahra gains more and more airplay throughout Europe on the back of the new Ralph Lauren DVD. Show your support by going to her My Space page and adding her as your friend www.myspace.com/sahrabluepie.

➔ **MARCH 2008**
Sarah J. Hyland AKA Sahra, is featured in NETT magazines March 2008 issue as her new album is dropping. Read the article [here](#) and see why she has never given up. Some timely words of wisdom from one of our favourite artists.
