

World Of Difference! A new music video to make us smile in these dark times!

.....

PRESS RELEASE EFFECTIVE IMMEDIATELY 21.04.20

These times have been dark. What with fears over a third world war, Australia burning in a hellish firestorm, and now with Coronavirus affecting how society itself functions, 2020 has not been a good year for many. It may be hard for any one person to make a true difference. Perhaps we need to learn to be satisfied with the small improvements we can bring to ourselves, and the lives of others – someone having a bad day will still have had a bad day, even if you make them smile. But at least that smile happened.

With this sentiment in mind, it's with our greatest hopes that the music video for Sam Pollard's "World Of Difference" will allow you to smile, even if it's only a little, and even if your day is still a bad day afterwards. Simply search "World Of Difference Sam Pollard" on youtube to find it on the youtube channels of Blue Pie and DJ Central, or search it on Vimeo or Facebook to find it on Blue Pie or Sam Pollard's accounts, respectively! You'll know it from the smiling child in the thumbnail. Adorable. Or you could just copy and paste!

The man himself, [Soularflair](#), was behind editing this one, and of course we have Sam to thank for this track in the first place. Hopefully this song and video can make some of us smile in these trying times! And in case you wanted to take your time with this one, here are the lyrics so you can read through them at your own pace.

WORLD OF DIFFERENCE LYRICS:

We can all make a difference!

VERSE 1

I've been spending all my time

Wondering how it's gonna end

Think about if I can get through another day

I've been spending all my life
Look around what's happening now
Think about the world and it will help us
What you're doing now
What you're saying now
Can make the world of difference
Don't forget me now, won't you sing it loud
We'll need a place to remember

CHORUS

Life's too short, to worry about if it's gonna happen
Life's too short, just sort out all your problems now
Life's too short, just smile every day you'll feel much better
Just laugh be happy

VERSE 2

Wonder how it's gonna end, is it going through your head
Don't save it for another day
When your time is running out, make a move don't turn around
We'll leave a world to remember

BRIDGE

Won't you all remember
How we made it better?
Made a world of difference
Now you won't forget me

Between this and his album "[Steps](#)", Sam Pollard has his hands full with getting his passionate message out into the world. And with Soularflair's funky editing skills [as we've seen from his videos in the past backing him up](#), we think it's a fair statement to say there's very little that Sam can't do at this rate!

Sam Pollard is a [DJ Central Records](#) and [Blue Pie Records USA](#) artist. Sam is published by Blue Pie Publishing USA ([ASCAP](#)).
