

BIGG CIXX

Biography:

Give a warm welcome to Bigg Cixx! This west coast rapper brings the Cali heat everywhere he goes, especially in his excellent fiery flow. Some of you may know him from his collaboration with DL Down3r and Spez Loaks in "No L's", but Bigg Cixx has certainly brought his own brand of awesome hits to the table time and again! Belting out single after single on Spotify, this man cannot be stopped, nor would anyone want him to stop! Check him out on all online retailers to see the best his work has to offer, and get ready to discover your new hip hop favourites that you'll bump whenever you're cruising around the neighbourhood!

Bigg Cixx has legit some of the best tracks to have come out of the West Coast in a while, and we're lucky to have him on our ever-expanding roster! Bigg Cixx has got genuine talent, as is evident from the variances in his flow. Many rappers claim to be able to take it from 0-100, but Cixx puts it in motion, starting off with slow flow on his hook then moving into a beat that you can really bump to. This distinct style can be heard in his other works too, especially with slappers like New Fresh Prince! Bringing us back to the days of cypasta memes and 90s nostalgia with just a hint of G-Funk, Bigg Cixx's style innovates constantly, keeping to his roots while remaining fresh!

Bigg Cixx represents the West Coast hip hop community with pride, just like DL Down3r, Spez Loaks, and the rest of his crew. He's an up and coming star that brings something fresh to the rap scene, that's also classic in a whole new way. We're privileged to have him on the team, and we're glad to be riding with the best names in hip hop all year round!

For more info on Bigg Cixx, check out his facebook, website, and other links!

And until next time, you can always check out Bigg Cixx throwing it down with his crew in style by taking a plunge into his lit catalogue, available on all online retailers! Listen to the smooth flow that this man uses to bring in the LA heat with a vengeance! Until then, we'll see you on his socials!
