LOKUST & DOWN3R'S KICKASS CHRISTMAS PARODY ALBUM!

Lokust Luciano and DL Down3r take the reins on this irreverent sleigh! They're ready to show the hip hop world that their flow hasn't even gotten slightly rusty, while making listeners laugh to boot. There's no holds barred as the Grinch's thieving tendencies are given a hilarious thuggish twist in this parody album, showing the world that he's the Who's Who of Whoville... and Whoville is a lot more hardcore of a neighbourhood than you may remember.

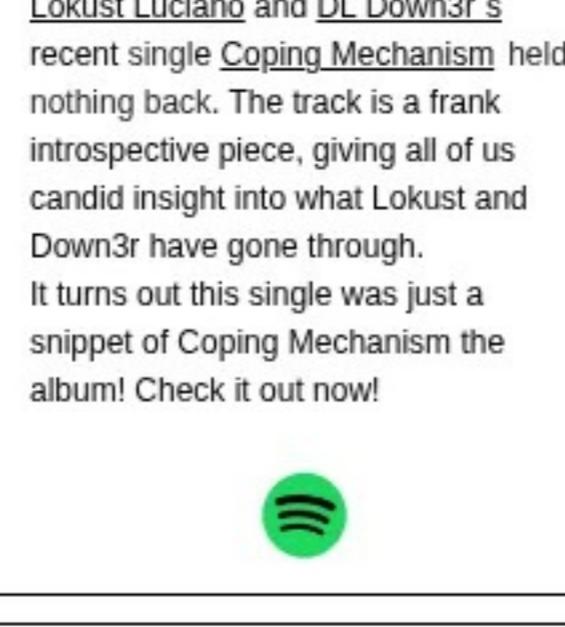

KEY LOCH HIT THE SURF WITH SLOP WITH CHOPPERS!

Just in time for the end-of-year summer, Australian indie band [Key Loch](#) have got some special surf rock sounds going on with this release. Synths mimic the gentle sound of distant waves as the guitars meld with the melody, putting the listener right there on the water as the surf sprays around them.

THE FUTURE OF EDM! MY OBSESSION BY GABE RIZZA!

Fans of that track will be happy to know that Gabe has released a new EDM banger featuring Diego Bian, one that'll show off Gabe's years of experience during the golden age of raving and DJing: presenting My Obsession! Give it a listen and watch the music video in the players down below.
