SAM POLLARD'S "WORLD OF DIFFERENCE"  
DOCUMENTARY FILM  
IS COMING!

If you're in the USA, you're in luck! **Sam Pollard**'s tale of adventure is coming to a cinema near you – and it's a ripper of a tale! Musician **Sam Pollard** has a passion for sport. He is no cycling professional, yet he made his way across Australia in 30 days on a bicycle back in 2012. His cycling and musical journey helped raised \$1,755 for RecLink Australia, a charitable organisation that helps disadvantaged Australians through sports and arts.

**Sam Pollard**, in partnership with **Planet Blue Pictures**, brings this tour to your screens in a four episode documentary series called "**World Of Difference**". This documentary features local communities across the country, and the quirky traits of the locals that make living in regional Australia unique. It showcases cycling, and gives the viewer the opportunity to see and explore through the eyes of a rider. And most importantly, it's an eco-friendly tour, with a low-carbon footprint.

Also, "**World Of Difference**" will be available soon on **NETFLIX** and **APPLE TV**! Can't wait for it!
