RIP TO RAY VANDERBY

After 50 long years in the music industry, Ray Vanderby had no intention of slowing down. His collaborations with multiple prominent artists across an eclectic range of styles demonstrates Vanderby's commitment to Australian music. He released his final album in 2022, *Comet 2 Comet*, which was a hit and showcased the wide variety of musical skill and aesthetics that Ray commanded seemingly effortlessly. Unfortunately, Ray passed away in the last few days.

Ray Vanderby will be deeply missed in the years to come, and all of us at Blue Pie were very privileged to know him and work so closely with him throughout the years.
