

BLUE PIE REFLECTS ON 2021

Another year has gone by! We'd like to go on a retrospective journey with you and check out some of the dope Blue Pie Records highlights from this year!

KEY LOCH

Key Loch are Damien Reilly and Justin Gross. They are the founders of the 90's power Aussie Rock Band Southpaw. They bring together a production history between them of 50 years of song writing and playing live music in Australia. Working with a global network of producers and artists, Key Loch has one mantra and that is to make and produce great music and great artists, and when teaming up with lyricist and vocalist Avery May Parker, that mantra becomes a daily accomplishment for them.

The future is bright and Key Loch are wearing shades as they unlock the musical doors of your mind and fill it full of great music.

"WHERE IS THE LOVE" KEY LOCH Ft Avery May Parker

This song is all about moving on to better things! Because we deserve to. A sweet and soulful performance in every lyric, Avery's voice and Key Loch's expert playing guarantee that every time you listen to "Where Is The Love", it'll hit you right where it counts

#KeyLoch #AveryMayParker #WhereIsTheLove

"COME HOME TO ME" KEY LOCH Ft Avery May Parker

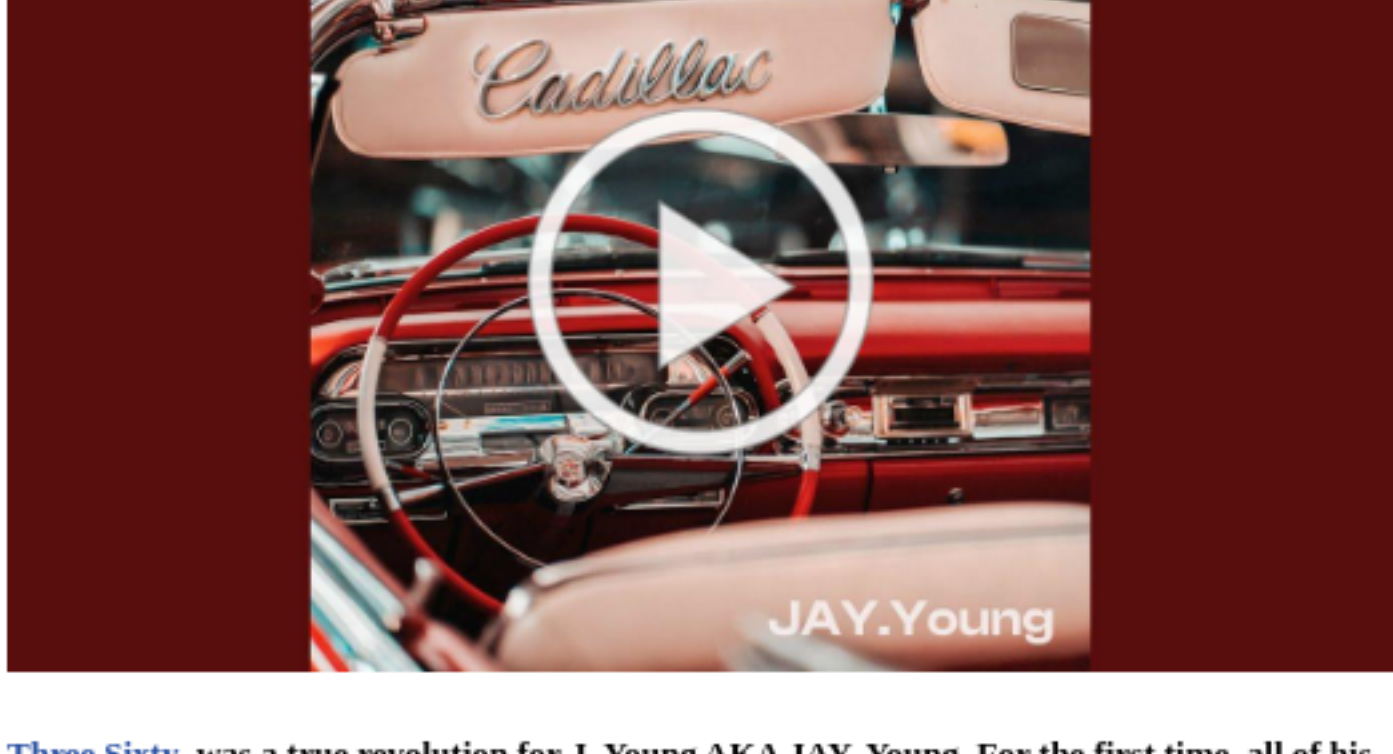

This track is an emotional story about a husband that has been sent off to war, with his wife pining for his return. "Come Home To Me", come back alive, come back safe – this is everything she hopes for, day in and day out. With Avery May Parker in vocals, and alongside Damien and Justin's incredible production, this song is a massive hit!

J. YOUNG

Three Sixty was a true revolution for J. Young AKA JAY. Young. For the first time, all of his hits were conveniently gathered in one place: Sexy Dress, Oxygen, She's A Thrilla, and other amazing classics are all ready to get stuck in your head... and some new tracks were also on the table! This EP has something for all tastes and is sure to offer you the tropical experience you've been craving... but there's ONE PARTICULAR STANDOUT TRACK that really gets our motors running: *Cadillac*.

This is an easygoing synth poppy track with the funky guitars we've all come to expect from J. Young. This track stood out so much that it's now a standalone single, not just a track among many on Three Sixty!

DL DOWN3R

DL Down3r (born James Williams) is a Californian west coast rapper who started his legacy with a boom: he recorded his global viral hit "Suga Boom Boom", and rapidly became the social star known as "Mr Suga Boom Boom". The song is so well-loved that it has well over 350M plays on YouTube, and over 35M streams on Spotify!

Suga Boom Boom has definitely defied gravity this year, with amazing remixes. The stand-out re-imagining of the classic track came from Jack Parry this time, which added another element, one which isn't typically seen in remixes and covers of this track: it remains relaxing. The remix has over 50k on Spotify so far!

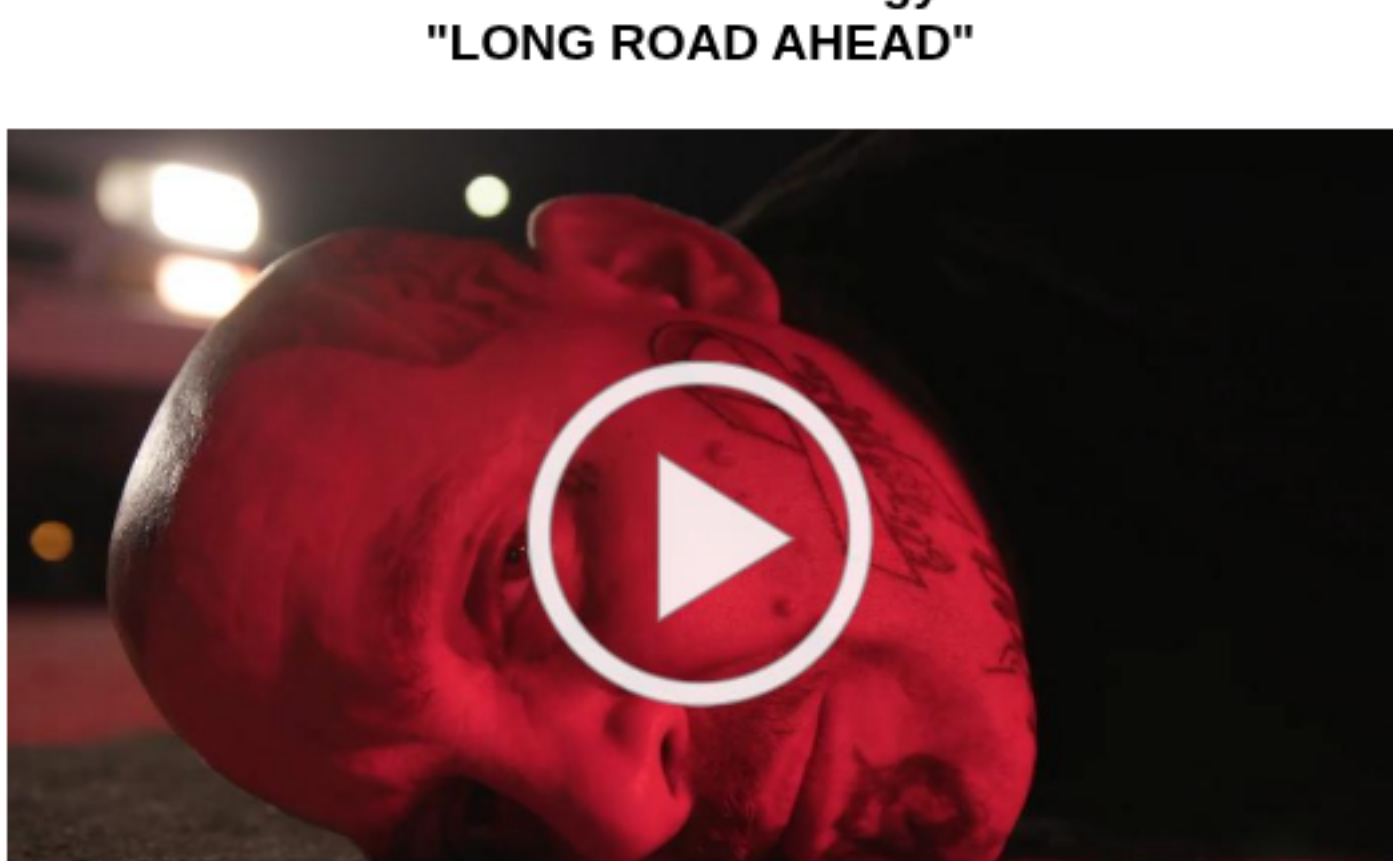

DL DOWN3R "MERRY CHRISTMAS"

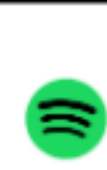

To celebrate the end of 2021, Blue Pie Records are proud to present "MERRY CHRISTMAS", the Xmas album from DL DOWN3R with parody lyrics and his trademark smoky voice! *For the full story, check out this article on the new collection of poems, songs, and parodies!*

DL DOWN3R Ft. Uno Tha Prodigy "LONG ROAD AHEAD"

In 2021, DL Down3r has hit us with "LONG ROAD AHEAD", ft. Uno Tha Prodigy! An emotional piece, this is a song from 2 individuals who know a lot more struggles than most. Down3r isn't afraid to show you the 44 years of pain and beyond that he's lived through. His man Uno is also ready to demonstrate the road he's walked, and everything he's overcome.

Starting the new year will be the best present we could ask for. Here's to everyone who helped us all get to this point – let's see how much higher we can go!

We wish you all a Happy Holiday!
