Welcome to the July Newsletter for all things Blue Pie Records USA !

### DL DOWNER Ft Uno Tha Prodigy "ROAD AHEAD"

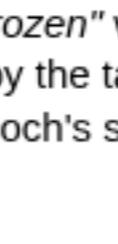

Gear up for the good stuff with Down3r and Uno. "Road Ahead" is gonna hit you where it hurts in the best way possible!

DL Down3r (born James Williams) is a Californian west coast rapper who started his legacy with a boom: he recorded his global viral hit "Suga Boom Boom", and rapidly became the social star known as "Mr Suga Boom Boom". The song is so well-loved that it has well over 350M plays on YouTube, & over 30M streams on Spotify! Across multiple videos and remixes of the song, Suga Boom Boom fever is strong.

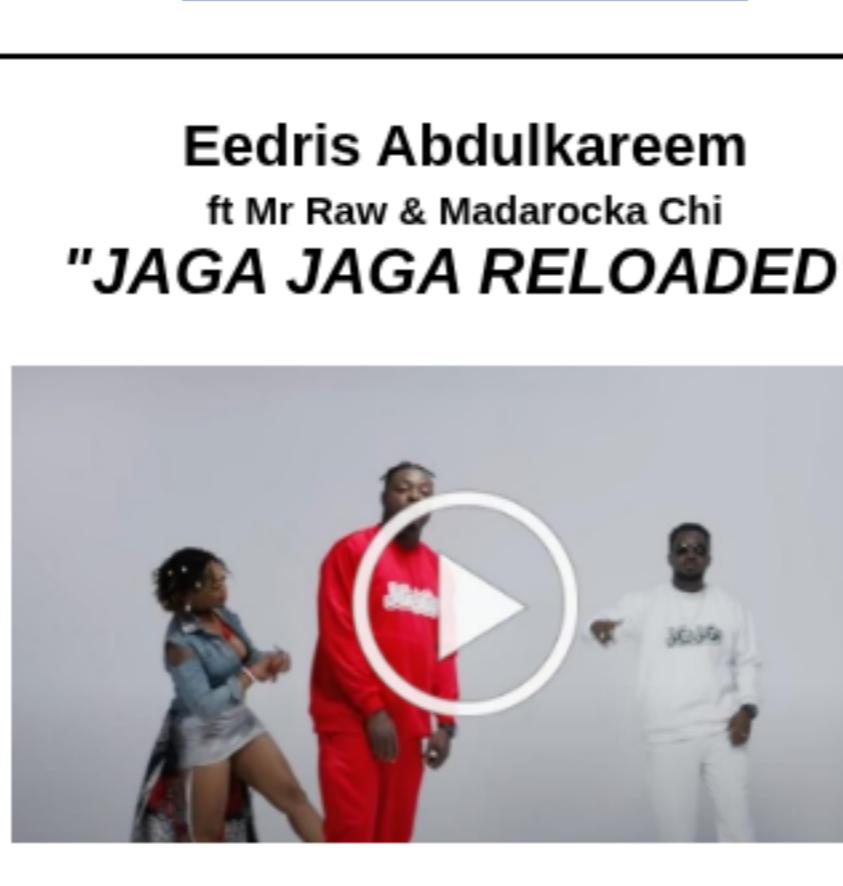

Now Down3r has hit us with a new release: "ROAD AHEAD", ft. Uno Tha Prodigy! An emotional piece, this is a song from 2 individuals who know a lot more struggles than most. Down3r isn't afraid to show you the 44 years of pain and beyond that he's lived through. His man Uno is also ready to demonstrate the road he's walked, and everything he's overcome.

### KEY LOCH ft. AVERY MAY PARKER "WHERE IS THE LOVE"

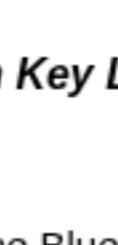

Arriving fresh on the scene, here comes Key Loch with the funky Mo-Town sound of their debut hit, Where Is The Love!

The sexy accompanying music video features Candela Vetrano (@candelavetrano on social media, actress and influencer) in the lead role and the moody neon spy setting is a perfect complement to the emotional lyrics and passionate singing! But that's far from where it ends. Key Loch have even done a cover of Madonna's hit "Frozen" with Missy Crissy on vocals, and those tracks have been remixed by the talented Gabe Rizza! More on that later... one thing is for sure, Key Loch's star keeps rising, and it's amazing to see.

Stay tuned! Very soon their other incredible single "Come Home To Me" will be given its own incredible video clip to help bring it to life!

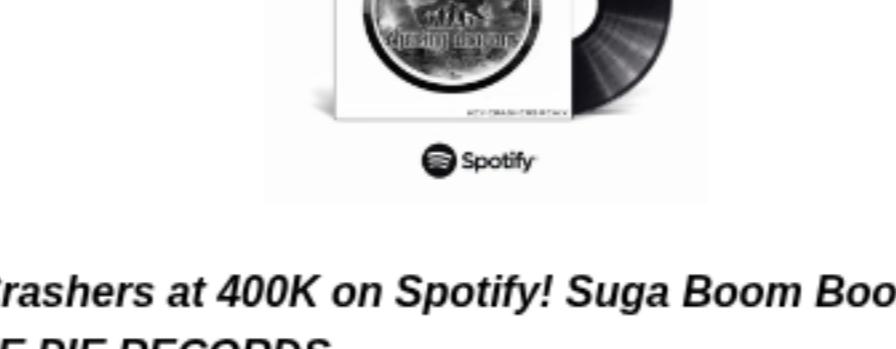

Key Loch are Damien Reilly and Justin Gross. They are the founders of the 90's power Aussie Rock Band Southpaw. They bring together a production history between them of 50 years of song writing and playing live music in Australia. This is the beginning of something amazing and the world can never have enough of GREAT music.

### Eedris Abdulkareem ft Mr Raw & Madarocka Chi "JAGA JAGA RELOADED"

Eedris Abdulkareem is an inspiring Nigerian rapper with an amazing history behind him. In 2004, Eedris dropped the original "Jaga Jaga", which was even more controversial than his previous albums, which were known for calling out corruption in Nigeria's various systems of power, and expressing outrage over the suffering of Nigeria's citizens. The original Jaga Jaga was banned on radio and television stations by the then-president, Olusegun Obasanjo.

Now, in 2021, featuring the talent of Mr Raw and Madarocka Chi, this faithful retake on Eedris' most popular song Jaga Jaga is a truth bomb! Eedris has never been one to shy away from making a statement, and Jaga Jaga Reloaded is one of many biting stances he has taken to aim for more justice in this cruel world.
