Ft. Cordell Drake & Stone P
"DO THAT"

Presenting to you now, this vid and track produced by Bigg Cixx beats! The track is live as a music video now on YouTube, as well as on Spotify and all other major online retailers and streaming services.

DL Down3r (born James Williams) is a Californian west coast rapper who started his legacy with a boom: he recorded his global viral hit "Suga Boom Boom", and rapidly became the social star known as "Mr Suga Boom Boom". The song is so well-loved that it has well over 350M plays on YouTube, and over 35M streams on Spotify! Across multiple videos and remixes of the song, Suga Boom Boom fever is strong.

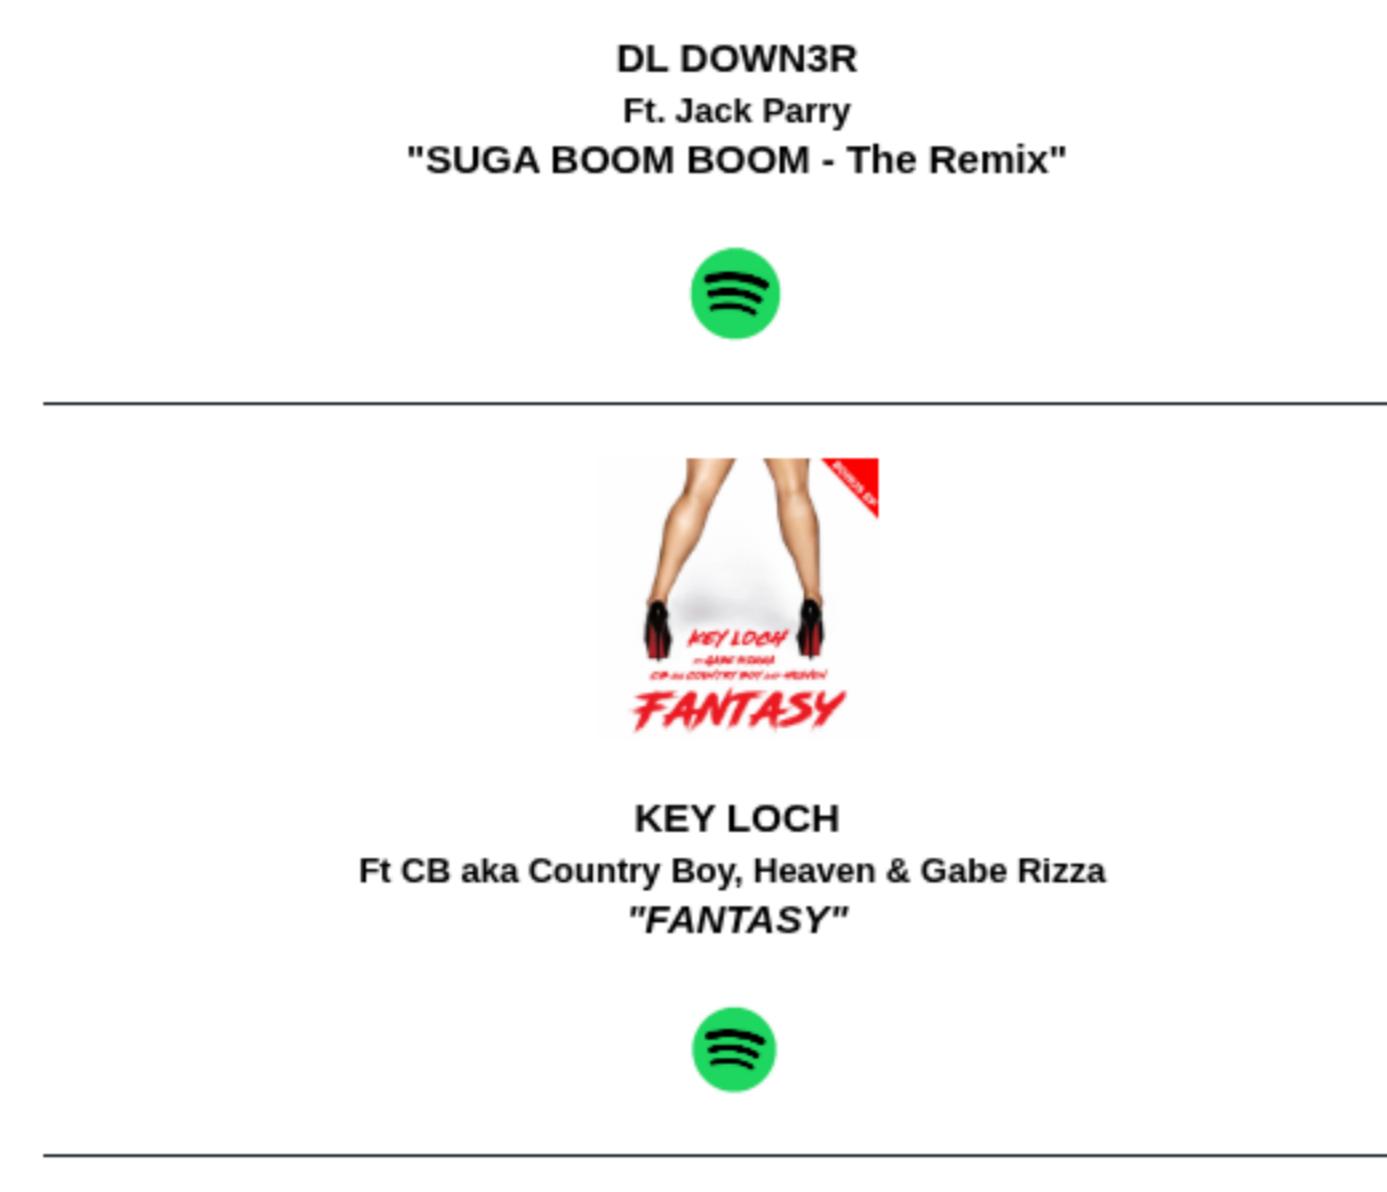

Featuring Cordell Drake and Stone P, this new DL DOWN3R track is a classic G-Funk deal. We love it whenever DL Down3r experiments with this style, his flow and voice really suit it!

DL DOWN3R

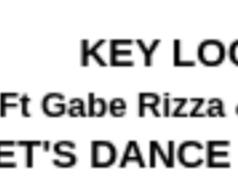

"CLOWN"

DL Down3r uses his expert rhythm and smoky voice to hammer a message home. That's right, there ARE still rappers who put their heart into their lyrics, and he is a prime example of one.

Clown is a track that combines the anger of a diss track with the emotions of an introspective song. The kind of disappointment you feel when someone close to you has let you down, or changed for the worse. It hits you hard – that emotional juncture is this song incarnate, and you can feel that in both the melody and the lyrics.
