"COME HOME TO ME" KEY LOCH Ft. Avery May Parker

Single & Video Clip
Available Now!

After the success of their first single & video clip "Where Is The Love", a hit that has already over 240k streams on Spotify, the Australian producers and musicians KEY LOCH present a warm song of love, waiting and passion: "Come Home To Me", ft Avery May Parker.

This track is an emotional story about a husband that has been sent off to war, with his wife pining for his return. "Come Home To Me", come back alive, come back safe – this is everything she hopes for, day in and day out. With Avery May Parker in vocals, and alongside Damien and Justin's incredible production, this song is bound to be a massive hit!

The "Come Home To Me" Official Video is now available on Blue Pie Records' Youtube Channel. With the cozy chord progressions and delicate lyrics, the story will transport you homely times, to nostalgic times you once fondly lived through, and to happy times that are yet to come... or perhaps they never will come, and are just bound to your imagination. The future is a mystery...

SUGA BOOM BOOM - The Remix
DL Down3r Ft. Jack Parry

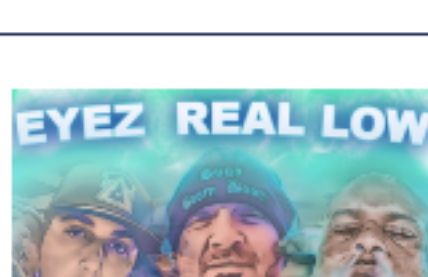

Suga Boom Boom, the smash hit that generated over a billion plays across all networks and 35 mil on Spotify alone, has yet another excellent cover to add to the repertoire!

This new remix was overseen by Jack Parry, and it features the intoxicating vocals of DL Down3r's original that will help you chill and vibe in a whole new way. The summery aesthetic of this particular version puts the listener in the mood for a chill and electric party by the poolside, the synths rippling like the water, the soothing sounds of electric pianos and a peppy brass section bringing the remix home in one hell of a way. It's impressive to see a remix that is both chill and relaxing, and retains the spicy energy of the original, while keeping it distinct and different from the original! We're expecting big things from this new, bold direction!

FROZEN
KEY LOCH Ft. Missy Crissy

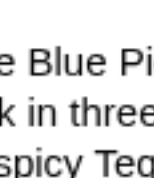

Key Loch's cover of this timeless hit has taken on its own life, with Missy Crissy's excellent vocals providing the whole package home with a vengeance

The extra kick and pacing in the guitar and drums sure does spice it up, and we're definitely enjoying this take on it! It really helps express the pain in the track. As Frozen's lyrics say, Love is a bird, she needs to fly! And we're loving all this content Key Loch is delivering to our doorstep.

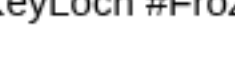

And what about the incredible new Frozen Key Loch remixes from Gabe Rizza? Something has been cooking in the Blue Pie Records in-house studio. These incredible titles take the cover track in three exciting new directions – Euro Trance, Retro Club, and a bit of a spicy Tequila mix! Gabe has been hard at work on all these and his excellent musical touch is definitely distinct in these.
