

Blue Pie's January 2026 Everything Music News!

DJ Central Surpasses 1 Million SoundCloud Streams in 60 Days

DJ Central is celebrating an incredible milestone as its official SoundCloud page officially surpassed **1 million streams within the past 60 days**. This rapid surge reflects the massive global support for the platform's curated selection of independent electronic, house, and club music. Supported by **Blue Pie Records** and **Ordior**, this achievement highlights the brand's mission of bringing "Music Without Borders" to a growing worldwide audience of dedicated fans. Listen to DJ Central on SoundCloud and stay connected with the global movement.

Honouring a Legend: Daudi Kabaka's Greatest Hits Get a Reggae Revival

Blue Pie Records is proud to celebrate the legacy of Kenyan musical icon **Daudi Kabaka** with the release of **Hits of Daudi Kabaka, Vol. 1: Reggae Infused**. Reimagined by **The Jamaica Band**, these classic hits blend Kabaka's "African Twist" melodies with soulful reggae rhythms and rich horn arrangements. This tribute bridges generations, allowing new fans to discover the "King of the African Twist" through a fresh, vibrant, and contemporary global lens. Experience the legacy of Daudi Kabaka & stream the Reggae Infused collection on Spotify today!

The Infinite Resonance of Musique Mon Ami Within the Global Soundscape

Musique Mon Ami remains a Northstar of the **Soul Shift Music** universe, transitioning from a sought-after catalog gem to a permanent fixture in the digital streaming landscape. This definitive deep house collection avoids fleeting trends, focusing instead on sophisticated, atmospheric textures. Featuring global talent like **Brotha Berry** and **Soulscum**, the project's continued resonance is fueled by the strategic partnership between **Soul Shift Music** and **Blue Pie Records**, ensuring its timeless sound reaches listeners worldwide. Listen to **Musique Mon Ami** on SoundCloud.

Key Loch and The Hustlers Flip a 1978 Classic: "Kiss You All Over"

Key Loch and The Hustlers have joined forces to deliver a vibrant Reggae EDM Radio Edit of the 1978 classic **"Kiss You All Over."** Released via **DJ Central Records**, this track masterfully blends soulful reggae foundations with high-energy electronic textures. Featured on **Disco Regaefied Infused Grooves Vol. 1**, the production offers a refreshing, genre-blurring sound that bridges retro melodies with modern rhythmic precision, creating a global anthem for dance floors and beach retreats alike. Listen to **"Kiss You All Over"** on Spotify & add this track to your rotation!

A Kenyan Melody for a Global Legend: "Jambo Bwana" in Jane Goodall: The Hope

The iconic Kenyan anthem **"Jambo Bwana"** by **Them Mushrooms** serves as a profound sonic bridge in the National Geographic documentary **Jane Goodall: The Hope**. By weaving this vibrant rhythm into the narrative, the film celebrates the intersection of East African heritage and Dr. Goodall's environmental legacy. This harmonious union highlights the connection between cultural celebration and conservation, providing a pulse for a global legend's enduring message of hope and optimism. Stream **"Jambo Bwana"** on Spotify.

DJ Central TV Announces Global Expansion: 12 New Platforms Now Live!

DJ Central TV is taking "Music Without Borders" to new heights with a massive global network expansion.
